

To share a presentation in the room:

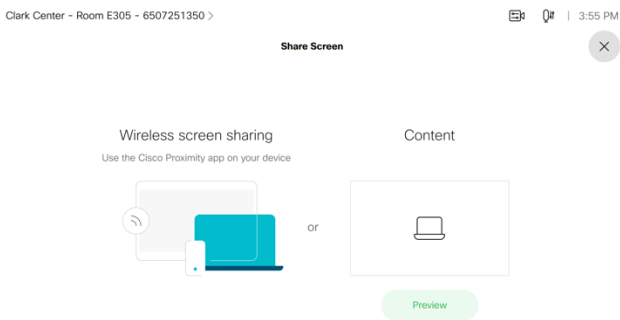

Tap screen to wake up system

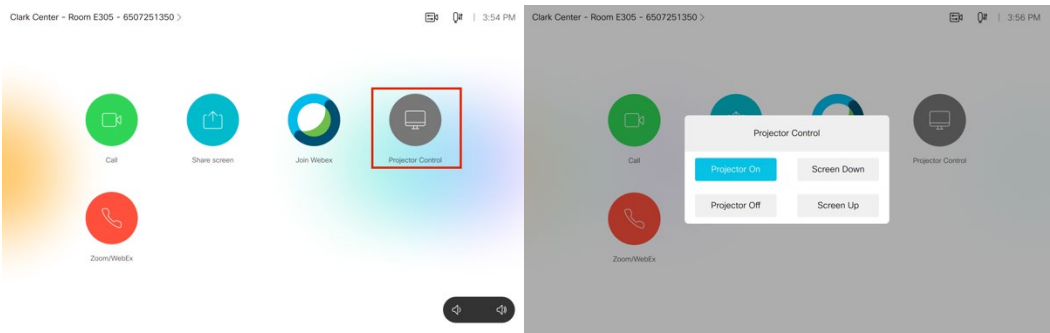

Tap Share Screen

Tap Preview to share screen

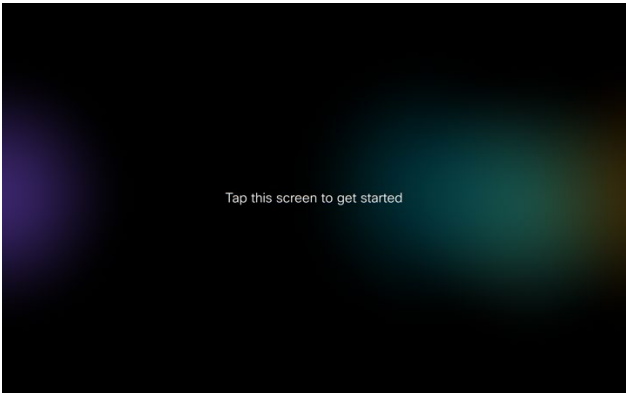

Projector and screen controls can be found here under **Projector Control**

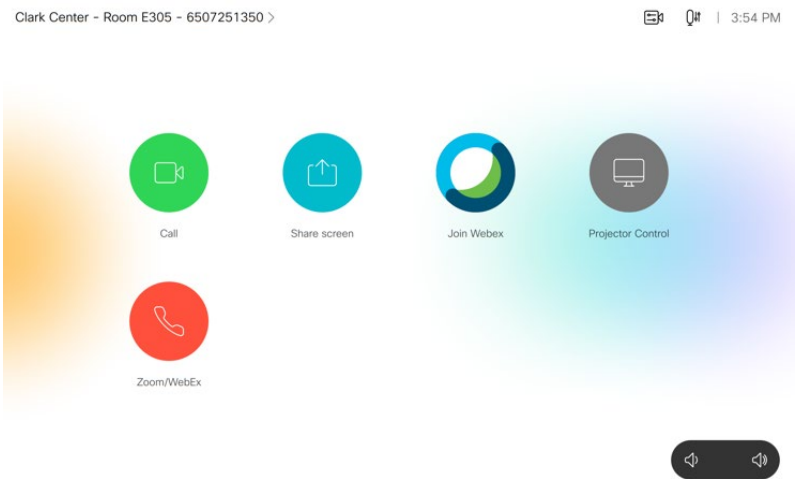

How to start a Zoom meeting?

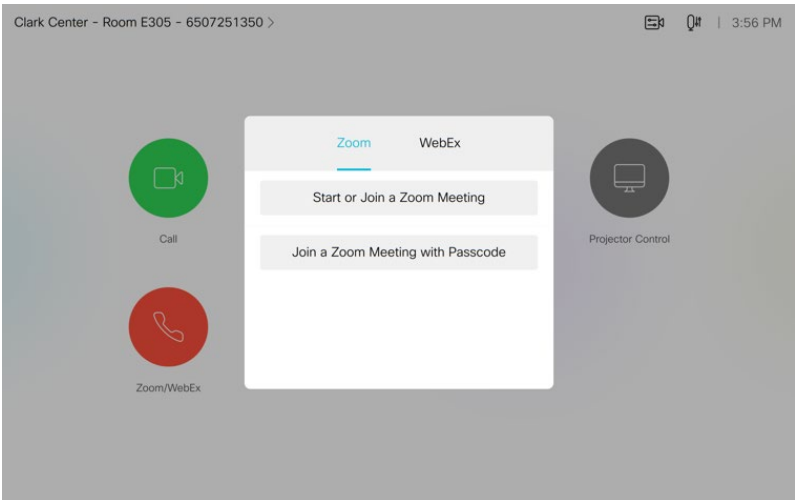

Tap screen to wake up system

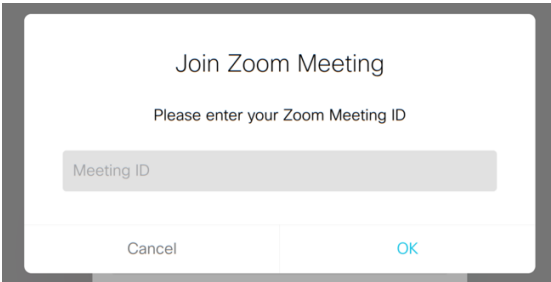

Tap **Zoom/Webex** button

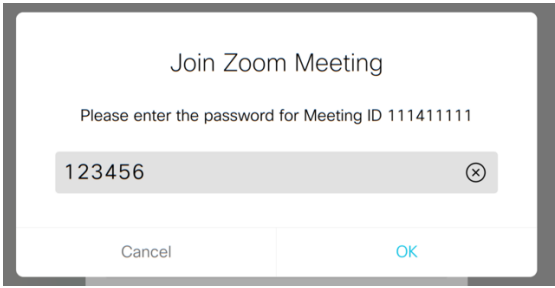

Tap on **“Start or Join a Zoom Meeting”**

Type in your Meeting ID and then tap OK

The system will then ask for the **passcode**. Bring up the keypad and type in passcode and tap the **#** key to start the meeting.

Once the meeting has started, you can attach your laptop to share a presentation, by tapping **Share >> Share in call**
